

Amenities that Matter \$10-50

Some of our biggest guest delighters are in this category - don't miss them!

<p>Bathmat - \$15 - this one has strong grips to prevent guests from slipping in the bathroom</p>	<p>Makeup Washcloths - \$25 - save your washcloths from makeup stains with these classy makeup dedicated, washable cloths</p>
<p>Bidet Attachment - \$0 after rebate! Everyone loves a clean butt and now you can help your guests get one with a bidet attachment and special program just for hosts!</p>	<p>Mosquito Netting - \$12 - check off another Airbnb amenity with mosquito nets</p>
<p>Binoculars - \$39 - especially perfect for bird and animal-watching in remote, wilderness locations</p>	<p>Multi charging cable - \$14 - who doesn't need cables to charge electronics? Help them out!</p>
<p>Can Opener - \$22 - everyone needs a can opener and this one is classy and user friendly</p>	<p>Noise Machine - \$24 - want to give guests an alternative to complaining about noise? This noise machine will do it!</p>
<p>Cooler - \$33 - perfect for guest daytrips and outings. This really uplevels the experience, especially in more remote locations.</p>	<p>Rice Maker - \$19.68 - this is an Airbnb amenity offering and it's so cheap to satisfy, why not add one to your kitchen?</p>
<p>Drying Rack (for clothing)- \$18.50 - quick turnover and longer stay travelers both need to do laundry and sometimes they don't want them to go in the dryer - this helps dry delicates.</p>	<p>Spa Waffle Weave Robe - \$34 - perfect for rentals with some shared areas or just for making guests feel like they're having a luxury experience. Easy to wash and dry - buy a few for quick turnovers.</p>
<p>Emergency Flashlight & Nightlight & Charger - \$30 - this device acts as a nightlight with the light pointed towards the ground. In case of emergency, guests can use it as a flashlight and can also use it to charge their devices.</p>	<p>Thermometer - \$13.99 - keep guests healthy and comfortable in the kitchen with a meal thermometer.</p>

<p>Glass Food Containers - \$33 - when guests cook, they often have leftovers but plastic containers are bad for the environment and can be taken with guests when they leave. Heavy-duty glass containers that are oven, freezer, microwave, and dishwasher safe are the solution.</p>	<p>Transistor Radio for Emergencies - \$20 - in case of emergency and power outage, guests need to be able to get accurate information from local authorities. This helps them stay safe and do that effectively.</p>
<p>Hangers - \$20 - uniform, heavy duty hangers give a luxury feel and uplevel the experience. Don't just repurpose random plastic and metal hangers, make it look like you care.</p>	<p>USB Charging Station (Bedside) - \$11- it seems like there are never enough chargers in the bedroom. This device solves that concern.</p>
<p>Hot Water Kettle - \$21- tea drinkers and those who are really cooking extensive meals both appreciate hot water kettles. Ones that plug-in should be kept away from the stovetop to help prevent an unknowing guest from trying to heat it on the hob.</p>	<p>Water Pitcher with Filter - \$24 - help save the planet by minimizing the use of plastic water bottles while still offering guests, cool, fresh and tasty local, filtered water.</p>
<p>Luggage rack with laundry basket - \$15 - this handy device helps guests stay tidy when they travel with a place for their luggage and a place for dirty clothes. Remember to buy two so both people sharing a room can find a place to stow their gear in a comfortable way.</p>	<p>Zester/Grater - \$16.99 - often overlooked but perfect for the home cook, these zesters are the perfect addition to your rental kitchen.</p>
